The master schedule will be created from the course selections students make. You must consider your choices carefully, as schedule changes may not be possible at a later date. You are signing up for a full year's worth of courses. Only courses listed on the course selection sheet are available for freshman.

Name _____ Current School _____

There are 8 periods in a school day. Students will need to select a total of 16 courses for the entire school year.

Core Courses and Electives

Courses highlighted in gray are required for all 9th graders. You must choose an English, Math, and Social Studies course, as well as 5 electives. If you choose a Foreign Language course, enter it as an elective course.

If an elective is two semesters make sure you add the A and B to your course selections. If an elective is only one semester it will be added to either semester depending on availability.
